### Product Description

With Full HD resolution and Projective Capacitive 12-point touch technology, the ProLite TF5537MSC-B2AG delivers seamless and accurate touch response. Featuring an IPS Edge LED LCD screen technology, it offers exceptional color performance and wide viewing angles, making it a perfect display for interactive digital signage. In addition to the superb image quality, the screen comes with a rugged bezel. The open frame ProLite TF5537MSC-B2AG is the ideal solution for interactive digital signage, instore retail, kiosks and interactive presentations.

Take advantage of your displays touchscreen ability by using custom, interactive content.
