USE CASES

HIGH RESOLUTION ▼

The Absen A1.9i features a higher resolution than the more common 2.6mm panels, giving a much crisper image.

DIGITAL SIGNAGE ▼

Being its own standalone screen, the A1.9i can be utilised for all kinds of content including advertisements and brand signage.

15 MINUTE SETUP ▼

As easy to set up as it gets, the A1.9i takes just 15 minutes to be set up and playing high-definition content on your stand.
