DIMENSIONS **500mm x 500mm x 72mm**

USE CASES

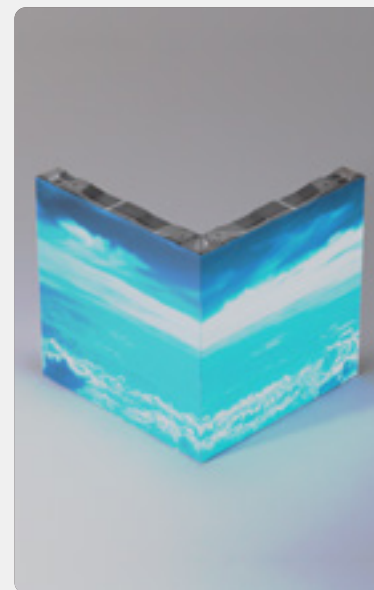

FLAT ▼

These panels can be used in simple, straight-aligned arrangements on a ground-stack or other mounting means such as flying.

SEAMLESS CORNER ▼

The X-Series panel also comes in a 90° degree seamless corner cabinet, which combines 2 panels in a built-for-purpose corner.

FACETED CURVE ▼

By utilising angled blocks, the Desay X-Series can create a curve with multiple cabinets, creating a curved wall over a large area.
