Product Description

T3234MSC-B3X delivers seamless and accurate touch response. Featuring an AMVA3 PID grade LED LCD screen technology, it offers exceptional colour performance and wide viewing angles, making it a perfect interactive display for Interactive Digital Signage. In addition to the superb image quality, the screen comes with a rugged bezel making it suitable for demanding environments. The screen features a vast array of inputs including DVI as well as USB for the Touch sensor itself. The ProLite T3234MSC-B3X is the ideal solution for Interactive Digital Signage, Instore Retail, Kiosks, Gaming and Interactive Presentations.

Take advantage of your displays touchscreen ability by using custom, interactive content. DBpixelhouse specialise in creating bespoke touch apps that can help you attract and engage audiences at your events.
