Resolution	1920×1080	HDMI	4
Contrast Ratio		USB	3
Aspect Ratio	16:9	VGA/DVI/Component	0/0/1
Weight	11.8 kg	Power Consumption	62 W

Product Description

With active 3D, the UE46F6320 offers superb levels of depth and projection into the room. The Samsung also offers the novelty of watching standard 2D video converted to 3D. Whether you're watching in 3D or 2D, the picture quality is very impressive. Thanks to 200Hz CMR (Clear Motion Rate), the Samsung UE46F6320 offers a smooth response with even the fastest of sports events or action movies. This 3D Samsung TV also offers Samsung's Wide Colour Enhancer Plus engine and Digital Noise Filter. The Wide Colour Enhancer Plus system offers far more natural and convincing colours by strengthening the red, green and blues. Samsung's Digital Noise Filter is especially effective with TV broadcasts - the UE46F6320 is one TV that doesn't just excel with 1080p HD material only to be let down when watching "ordinary" TV - this TV impresses whatever the source.
