Product Description

Attract audiences 24 / 7 with powerful professional digital signage! Because of its outstanding durability and performance, DMD Series digital signage is the ideal solution for any business or organisation whose revenue is dependent on non-stop operation.

By leveraging Samsung's proven technology, you can increase sales by continually drawing and informing audiences with rich content delivered on superb-quality digital signage. With highly visible and superior 450-nit brightness, DMD Series digital signage keeps viewers engaged in any indoor business environment.

Take advantage of your displays touchscreen ability by using custom, interactive content. DBpixelhouse specialise in creating bespoke touch apps that can help you attract and engage audiences at your events.
