

## 65" Samsung UE65F9000STXXU

### Product Specification

Resolution	3840×2160	HDMI	4
Contrast Ratio		USB	3
Aspect Ratio	16:9	VGA/DVI/Component	0/0/1
Weight 24	kg	Power Consumption	260 W

### Product Description

Don't just watch TV – be part of it with Samsung's next generation UE65F9000 65 Inch 4K Ultra HD 3D LED TV. With four times the detail of a Full HD TV, the UE65F9000 takes your viewing experience to a whole new level of breathtaking. Immerse yourself in a world of ultra-realistic detail and true colours no matter what you're watching. Whether it's your favourite TV show or a Blu-ray movie, the UE65F9000 upscales everything you watch to near 4k resolution. Plus, for total peace of mind, the UE65F9000 is future ready thanks to its Smart Evolution technology. Simply insert a Samsung Smart Evolution Kit into the back of the TV and enjoy all the latest Smart features and technology without having to buy a new TV.

The 1000Hz Clear Motion Rate delivers super smoother motion, so you can watch fast-action 2D and 3D programmes with amazing clarity. Enjoy explosive 3D imagery that jumps from the screen and puts you in the middle of the action. Add a new depth of realism to your favourite 2D programmes and watch them in glorious 3D with UE65F9000's advanced 2D to 3D conversion technology. The UE65F9000 boasts a built-in Freeview HD and Freesat HD tuner so you can watch a huge selection of free digital TV and radio channels, as well as a variety of HD broadcasts such as BBC HD and 4HD without the need for an extra set top box. The Twin Tuner technology also lets you watch one channel on your TV while somebody else watches another on a different device like a tablet or smartphone.

For custom, ultra high definition content to bring your screens to life and make the most
