Product Description

Add interactivity to any environment with Elo's 7001L 70-inch touchscreen display. With a brilliant and responsive interactive canvas for leveraging a variety of content, the professional-grade large format display is well-suited for creating engaging experiences. From endless aisle and brand experiences to way-finding and collaboration, Elo's touchscreen displays from 10 to 70 inches offer everything you need in a sleek, slim design and are built to withstand the rigors of continuous public use.

Take advantage of your displays touchscreen ability by using custom, interactive content. DBpixelhouse specialise in creating bespoke touch apps that can help you attract and engage audiences at your events.
