Contrast Ratio	1200:1	USB	3
Aspect Ratio	16:9	VGA/DVI/Component/Display Port	0/1/1/1
Weight	88kg	Power Consumption	400W

Product Description

Ultra HD screens deliver an immersive viewing experience and have high definition picture quality that is 4 times higher than FHD. 98" real size displays deliver seamless contents as an alternative to the 2x2 video wall at the flagship store. Up-scaling and Super Resolution technology enhance the quality of FHD content to near-UHD quality. Simple customization function will be provided. Our solution can be customized through an SDK to showcase your logo or improve compatibility.

For custom, ultra high definition content to bring your screens to life and make the most out of your event, view our [content library](#) for inspiration, or [contact](#) a member of the DBpixelhouse team.
