

Senheiser Wireless Headset EW 312 G3

Product Description

Communicating in harmony: when the settings on the receiver are changed, the components adjust to each other automatically with one push of the front panel sync button. The bodypack transmitter is equipped with charging contacts for the optional BA2015 rechargeable battery. The inconspicuous omni-directional clip-on microphone is optimized for best reproducing the sound of the human voice and provides supreme speech intelligibility.

Product Features

- Unobstrusive clip-on microphone optimized for speech intelligibility
- Highest reception quality thanks to true diversity technology
- Scan function identifies available frequencies
