Product Description

Powered by Windows 10, Surface Pro 4 turns from a tablet into a full powered laptop while running all of your desktop software. The 12.3 inch PixelSense display has extremely high contrast and low glare, giving you a picture rivalling real life. More power and lighter than ever before at 1.69lbs (766 grams). Surface Pro 4 is the most versatile and productive device you'll ever use. With the multi-position kickstand and an improved Type Cover, it transforms into a fully functioning laptop running desktop software. Surface Pro 4 is your mobile workstation, with Intel Core processors that allow you to run multiple programs.

Tablets are a unique and versatile way of attracting an audience and engaging them at any event. From augmented reality to bespoke games, we can create custom content that is sure to make an impression at your next event.
